Table Of Contents

Inasmuch as a yearbook is probably the most complete and permanent historical record in existence for any school, it is fitting to give credit to at least the editors and advisors who have worked many a night into the wee hours to get twenty-five editions of the Gauntlet published.

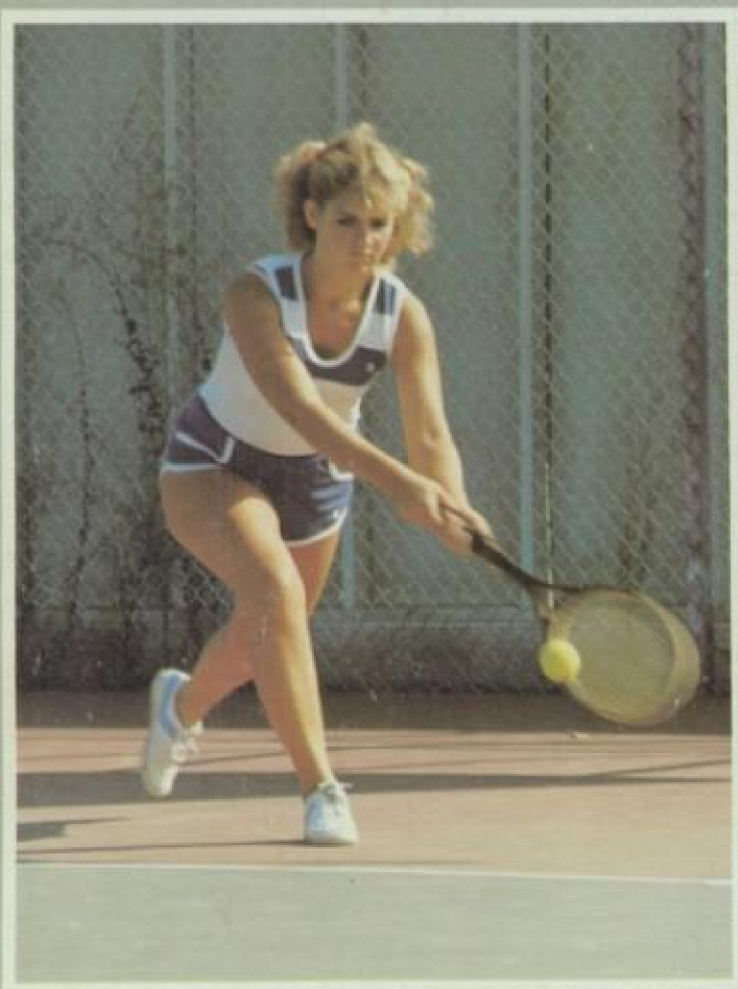

QUARTER CENTURY OF FALCON YEARBOOKING

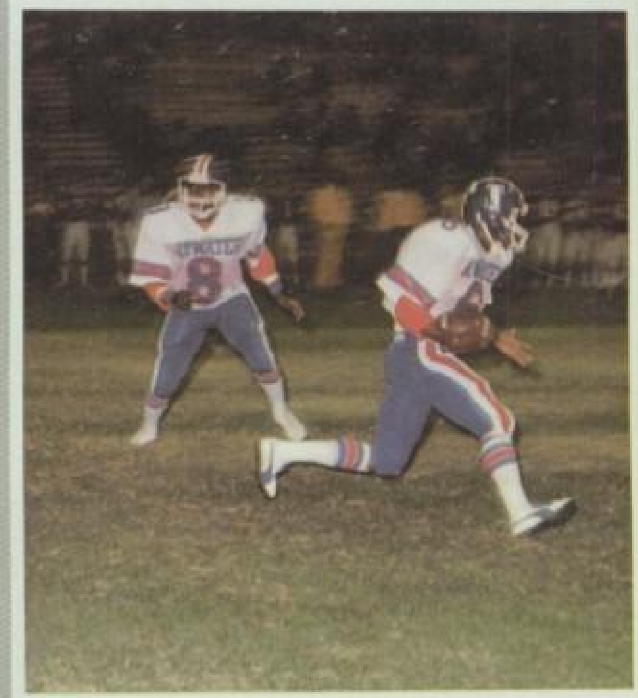

Pictured above are the first advisors to publish the Guantlet and Talon, Patsy Kelly Bilger, and Larry Wentz. Wentz is now the advisor for both publications. All twenty-five yearbooks are shown. You are holding, in your hand, a copy of the "Quarter Century" issue.

Patsy Kelly later married Dick Bilger, a retired Air Force officer, and they now live in Stockton, CA. She is currently the Yearbook Advisor for Saint Mary High School in Stockton. In the picture, Bilger and Wentz are holding a copy of the first Atwater, 1959 Gauntlet and, also, copies of their last year's endeávors.

Mandy Crowned

On October 8, 1982, excitement filled the air as Mandy Meck was crowned Homecoming Queen for the football season. Her court consisted of Senior Queen candidates Andrea James, escorted by Lon Joslyn, and Pamela Noble, escorted by Rodney Fagan, Junior attendant Julie Drummond, escorted by Rodney Rice, Sophomore attendant Julie Sandino, escorted by Phillip Heppner, and Freshman attendant Chrissy Bird, escorted by Paul O'Campo. Mandy was escorted by Greg Rieke and Bryan Mangrum. The pages Sheila Kelly and Michelle Herring did a great job!

For the first time in 12 years the A.H.S. Varsity celebrated a homecoming victory with a 28-0 win over Sonora.

Fury rocked the Homecoming dance. Congratulations to our 1982 Homecoming Queen Mandy Meck!

All Hallow's Eve

Boo!! This year many Falcons celebrated the arrival of "all Hallow's eve" by participating on Halloween Dress-up Day. Participation was much better than expected as Aggies dressed up as Cholos and Punk rockers invaded our campus. Paula Weatherby (witch - below), Angela Brown (pumpkin - left), and Dan Ross (reaper - left), were treated to free yearbooks for their excellent costumes.

Administration

Top: Dr. Larry Johnson, Principal. Dr. Johnson is the sixth principal at Atwater High School. In the picture with the six administrators, the one on the far right is the fourth principal, Dr. Robert Gilmore. He is now Dr. Robert Girolamo, Superintendent of the Merced Union High School District. (see page 233)

Center left: Shirley Yager and Joan Faul are Vice Principals who are directors of attendance and counseling.

Center right: Vice Principals Dave Honey, Fred Olson, Joan Faul, Shirley Yager, Dr. Larry Johnson, Principal, and Dr. Robert (Gilmore) Girolamo, Superintendent.

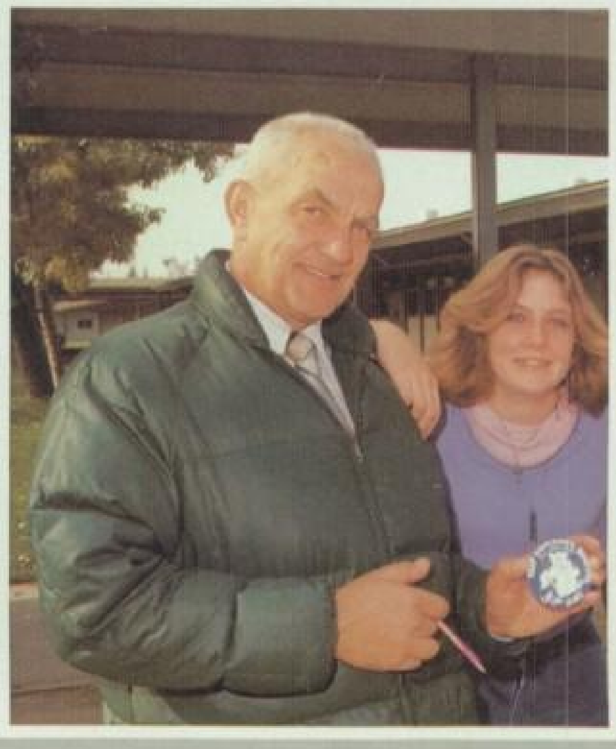

Bottom left: Ben Sanchez has been chief custodian since 1958. Shortly after this picture was taken he was stricken with a stroke. All of us are deeply saddened by this news, and we hope he recovers soon. Here is to Ben! Jackie Thompson, Student Body Secretary saves the "ship" several times a day with her smile, while Dave Honey, Vice Principal steers the course.

Lower left: Fred Olson, Vice Principal of Discipline, is known as "The Man" around campus.

Mexican Volcano Cause Of Awesome Sunset

When a volcano erupted several months ago, two thousand miles to the south of Manteca where this game was being played, it spurred a gas cloud that is still hovering in the heavens. The sun rays shining through that gas causes these spectacular sunsets. The gas cloud begins at 75,000 ft. and extends upwards to 125,000 ft., covering all the western coast and extends far out over the Pacific.

DANNY ALLEN somehow missed getting his senior picture in the book, so here he is with the mohawk Dee Dee Ackley gave him just prior to the Falcon-Bear Game. The first string all conference linebacker is shown tearing a "Bear" apart in effigy.

This year's basketball team were young and inexperienced—2 Sophomores, 5 Juniors, and 2 Seniors. Throughout the season improvement was evident and attitudes were excellent. Next season could certainly turn around for the Falcons due to the youth and experience gained from this season.

Donna Minge, a junior, was selected first team all-league (C.C.C.). She led our team in scoring II points a game and averaged 7 rebounds a game. She is a team player with excellent all around ability. Brenda Kasper, a junior, was selected second team all-league (C.C.C.). She averaged 7 points a game and led the team in rebounds-averaging 9 rebounds a game. Angela Brown, a senior, was selected second team all-league (C.C.C.). She averaged 8 points a game and 4 rebounds. The entire team is to be congratulated for the hard work and dedication put forth this season. Good luck next season.

3. Just some of the books the team was required to study.

Like the decathlon of the Ancient Greeks, the Academic Decathlon consists of ten exciting trials. The Greek events were tests of physical strength while the Merced County Decathlon is a contest of academic strength.

The grueling one-day event was held November 20th. The competition of 1982 consisted of tests in Economics, Grammar/Literature, Fine Arts, Physical/Biological Sciences, Social Science, Mathematics, and the Super Quiz with the topic of housing. There were also communication tests of an essay based on a famous quotation, the delivery of a 4-minute prepared speech and a 2-minute impromptu speech and an oral interview.

This year's team came in a close second place to Merced with 39,446 points out of a possible 60,000. Atwater brought home 26 individual medals, twice as many as last year. Laura Kane received the Honor's high score as well as the top overall high score of the day. Brian Parker was chosen as the varsity high scorer.

The competition was designed to recognize students whose academic standards and performance are high but receive little encouragement or status. It provides an opportunity for scholars to achieve a status similar to that which has been traditionally to athletes.

Last year the team met after school and evenings. This year a class called inter-disciplinary studies was formed. The team and alternates were chosen from this group. The entire class worked together to learn all they could. The team members this year were Laura Kane, Peggy Anderson - Honors; Trisha Sanders, Steve Rammel - Scholastic; Mark Wimbley and Brian Parker - Varsity. The three alternates were Gary Martin, Jason Hays, and Mike Gonzales.

Mr. Honey - Dean of Student Activities, Glin Lamerson, Jim Phipps - Commissioner of Fine Arts, Doug Fassler - Treasurer, Mark Wimbley - President, Paula Weatherby - Co-Rally Commissioner, Mrs. Thompson - Secretary, Front row: Shane Lee - Public Relations, Richard Spencer - Co-Rally Commissioner, Mandy Meck - Secretary, Warren Campbell - Athletics Commissioner, Not Pictured: Alice Tanzillo - Vice-President, Bill Olson - Parliamentarian.

It's true! We have no control but did we ever claim to have any? First of all one must be a little off in order to be a member of that illustrious group who spend weekends and vacations making something that most people gripe about. Most people believe another year another yearbook. Wrong! This year is very special since it's the 25th anniversary edition. We've added several surprises to this year's book and we're proud of it. We hope that you all enjoy reading it as much as we enjoyed? putting it out.

Queen Lands At C. A. F. B.

Queen Elizabeth II and Prince Phillip visited California Feb. 26th thru March 7th, the first time for a reigning British monarch. She and the Prince landed at Castle AFB in the Presidential airplane and were greeted by several local dignitaries. Pictured below from left to right; Col. & Mrs. Grove, Col. & Mrs. Dempsey, Col. & Mrs. Page, Greg Olzack, Mayor of Atwater who graduated from Atwater High School in 1968. The others pictured are members of the crew. The Royal Party then proceeded to Yosemite National Park by motorcade. They stayed at the Ahwanee Hotel for two days of touring and sightseeing. The Queen's visit was mared by constant rain and the deaths of three secret service agents in an auto accident. After their stay at Yosemite, the Royal Party returned to Castle for their flight to Seattle.

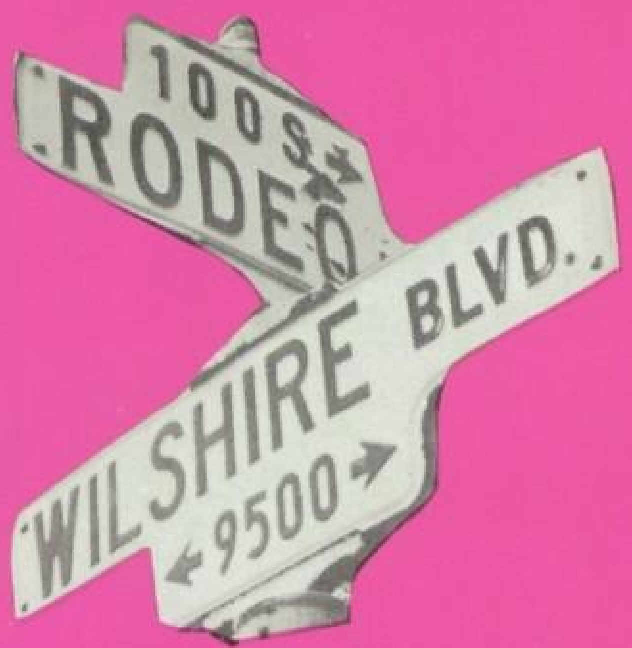

Bill Wright, co-editor of this yearbook, was lucky enough to snap these photos when the Queen landed at C. A. F. B. Bill lived in London for two years and attended London Central High School. Right: Bill holds up his two yearbooks from London Central High where he had been a Yearbook Staff member in 1980 and "81".

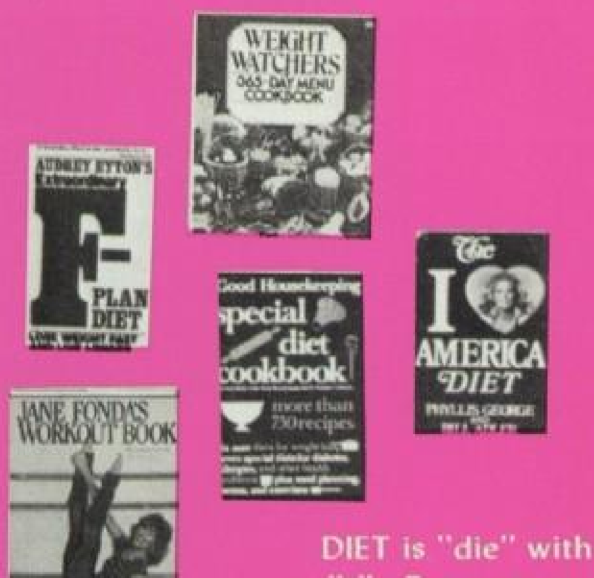

Fads

Every year, there are new products out on the market specifically designed to catch the eye and make MONEY! The latest ones are Smurfs, cats, Garfield, and Val-speak. L.A. is a big fad with the new song "I love L.A."

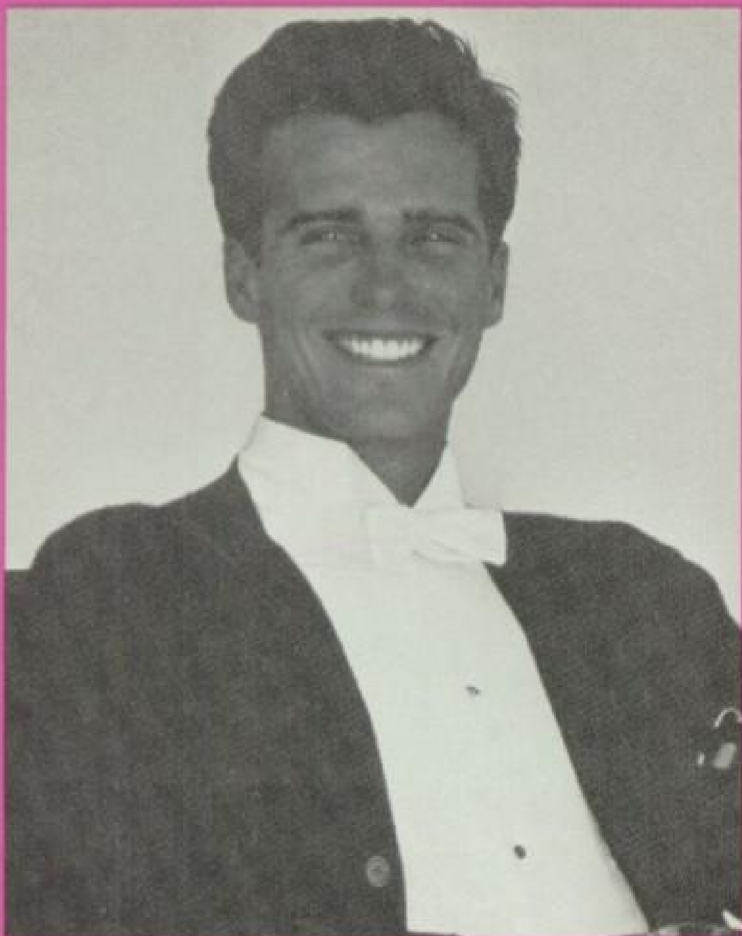

DIET is "die" with a "t". But not according to these books which are just a part of the flood on the best-seller list.

Another trend is the maxi-series on television. Books such as *The Blue and The Grey*, *The Thorn Birds*, and *The Winds of War* have become ten to eighteen hour programs.

Movies

This year, though many are unemployed, the actors are earning their living in movies such as Gandhi, Tootsie, E. T., Sophie's Choice, and An Officer and a Gentleman. There was a wide variety of movies in which one can choose, from teenage hysterics in Fast Times at Ridgemont High to the problems of one Vietnam Vet., in First Blood. It is definite that entertainment was the name of the game in this year's movie business.

We left the high school Sunday, November 7 at 5:30 A.M. We went through Arizona, New Mexico, Texas, Oklahoma, Kansas, and finally Missouri. We stopped in Oklahoma City to see Cowboy Hall of Fame. We arrived in Kansas City, Mo. Wednesday Nov. 10. We attended many sessions and even got to see Dale Evans. We left Kansas City Friday, Nov. 12 at 7:30. We drove straight through Kansas, Wyoming, Colorado, Utah, Nevada, and finally California and arrived at the high school about 1:00 P.M.

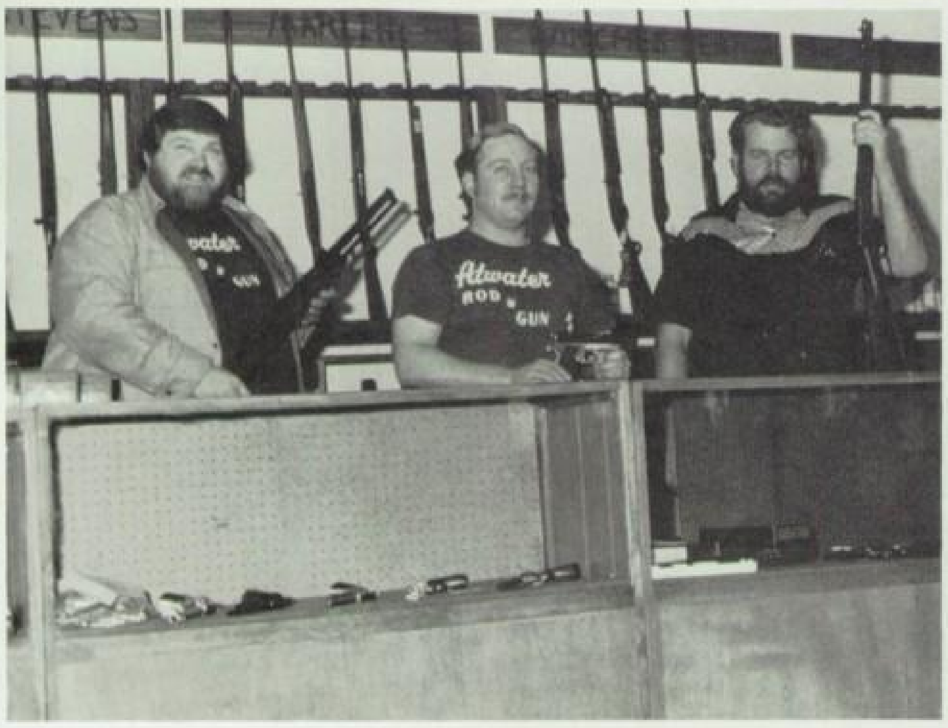

Su Lee, very good
a very
and sweet friend. You're
so nice + sweet. I'm disappointed
that we didn't have any classes
together. I hope we have some classes
together. I don't think we had any classes
together since I've known you and that's a long
long time. I hope to see you over the summer and
maybe we could go play some tennis. I will probably be
going to your party, but I'm not sure. I might bring
you a present if I have some money left after I buy
Kravamas a present. I don't know what to get her. Oh,
well whatever. I hope you have a fun and safe summ[er]
Stay the same and don't change. See you next year

Spring Dance '83'

The 1983 Spring Dance was in usual form on March 26, as couples danced and conversed to the heavy metal sounds of Knock-Out. This year's Spring King was a hard working Freshman, B. J. Jones who collected an overwhelming 409 kisses!!! Which blew the lips off of his closest and worthiest opponents.

Birds & Bees

Foreign Exchange Students

My name is Margaret Bateman and I am an Australian Foreign Exchange Student. I have had a very enjoyable year here in the United States. I have met many people who I will never forget. I would particularly like to thank the Holden family who hosted me in your country, and all of the friends that made living in the States such a blast.

My name is Jiro Inove. I was born in Tokyo. I'm 17 years old. I studied Math, Japanese, History, Science, P. E. and English in Japan. My hobby is playing the guitar. I wanted to come to the United States to learn more about the American culture and the English language.

Barbara Bernecker: I am an Exchange Student from Germany. I am 17 years old and a Senior. When I go back to Germany I'll be a Junior. I was on the cross-country team and I'm now on the track team, running the middle distance. I'm a member of the WFCA and also a honor member of the German Club.

My host family are the Brewers, Pam & Jim Brewer are both teachers at AHS.

My name is Lars Lundstrom, and I am a Foreign Exchange Student from Sweden. I was born in Stockholm, and I have lived there all my life. In Sweden I am taking an artistic and social type education for two years.

I Like it very much here at Atwater, the people are nice and I like Atwater High School.

I'm staying with Mr. and Mrs. Sting in Winton. My interests are mainly about music, when I have graduated from my Swedish school I will attend a vocational education for two years at a University in Stockholm. I am hoping to be a sound technician.
